 Wild Sage Market- Co-op Startup

## PLEASE READ - IMPORTANT INFORMATION FOR MEMBER-OWNERS

### NOTICES, TERMS & CONDITIONS

- As with any investment, your ownership share is subject to risk. If the co-op is unsuccessful, the Board of Directors will determine distribution of remaining assets. Every effort will be made to refund your member-owner equity share.
- It is the member-owner's responsibility to provide Wild Sage Market with a current mailing address and email address should your information change.
- I am applying for a one-time purchase of membership equity (Patron Member share) in Wild Sage Market under the conditions and policies stated in the Articles of Incorporation and bylaws of Wild Sage Market (available on our website).
- I understand that a member-owner share must be in the name of one individual only. The legal member-owner of record will receive all official co-op mailings, is the official voting member-owner in all co-op elections, and receives any and all monies potentially disbursed, including patronage dividends and a refund of equity.
- I understand that other persons living in my household may use my membership card to shop at Wild Sage Market, but this does not confer membership upon them.
- I understand my membership is not transferable without approval from the Board of Directors.
- I understand that this application for member-ownership is subject to the approval of the Board of Directors.
- I understand that I have access to Wild Sage Market's by-laws (available on our website or emailed upon request) should I wish to read them.
